colect: triple play (pus)Title:gov'ment
1) congress inquiry about bucket on head
and elusive testimony

I can't recall but event much more tortuous:

            It may be that such an event could
have happened and that I could have been there
and heard
Mr x of country y say substan what has been
reported here.

      event explosion of sewage plant , ball of flame

turds like arrows : the bucket of shit on head of witness.

I may have had such a bucket poured on me

many argu as to lang

then lit argument as to bluntness of turds.
straw through boards cyclone--paired w o rings and 1? other

lawyer nastiest:

Impostion of probability; also bk character check:
